RE:

2021 Excelsior Park & Dock Patrol

Since the early 1980's, the City of Excelsior has contracted with the South Lake Minnetonka Police Department (SLMPD) for park and dock patrol services. The Joint Powers Agreement allows member cities to contract with the SLMPD for additional services, as long as the proposed services do not use existing SLMPD staffing hours. All costs are the responsibility of the contracting city and the other member cities must approve the agreement.

In 2019, we expanded the park & dock program to include parking enforcement for some special events in Excelsior: The Homecoming parade, The Halloween Parade, Chriskindlsmarkt, Luck O' the Lake, and other events as needed.

In 2021, we are requesting the ability to further expand the program outside of the normal enforcement season and special event requests. As the City of Excelsior continues to discuss increased paid parking areas, year-round enforcement may be needed.

Please submit the proposed Park and Dock agreement between the City of Excelsior and the SLMPD on the agenda for approval at the next city council meeting.

Attached is a breakdown of the proposed 2021 Park and Dock Patrol budget.

Please contact me if you have any questions or concerns.

RE: EBEDDED SOCIAL WORKER PROGRAM

SUMMARY

The embedded social worker program, also known as a case assessment management program (CAMP), is a collaborative effort between law enforcement and Hennepin County mental health professionals to optimize the response to people with mental illness. The goals of the program are to connect those experiencing mental illness with appropriate resources and after-care while relieving the strain on department resources due to repeat calls for service. The program should also increase safety for both responding officers and victims of mental health crisis given improved follow-up care.

ROLES AND RESPONSIBILITIES

Response duties remain with the South Lake Minnetonka Police Department (SLMPD) as the embedded social worker program is *not* a co-responder model. All SLMPD officers who routinely respond to 911 calls have received the 40-hour training in crisis intervention techniques and SLMPD is committed to continuing training new officers and providing refresher training to certified officers. The social worker will also be available to offer advice or coordinate additional resources in real-time during business normal hours.

SLMPD RESPONSIBILITIES

- SLMPD will work with the Social Work Unit Supervisor to establish criteria for referrals.
- SLMPD will also work with the Social Work Unit Supervisor to develop a referral process.
- SLMPD will track both referrals and repeat calls for service.
- A SLMPD will accompany the embedded social during home visits as needed.
- SLMPD will provide office space and a desk for the social worker.

HENNEPIN COUNTY RESPONSIBILITIES

- The Hennepin County Social Worker will provide short-term assistance to clients to connect the individual with the appropriate resources to meet their needs.
- After reviewing the case, the Hennepin County Social Worker will complete a file clearance of the various systems to determine if the individual is open to social services or public assistance programs.
- The social worker will meet with the client, assess the client's needs, assess their support systems, and determine where gaps exist.
- The social worker will work with the client to develop an initial plan that addresses the gaps that exist in the client's current support system, and work with the client to connect with needed community services. This plan will be signed by both the client and the social worker.
- The initial assessment should include the risks to the safety and stability of the client as well as the client's ability to address such concerns. The social worker will also evaluate the need for emergency services and assist with making those connections as needed.
- If community and/or county resources are needed, the social worker will collect information needed to determine eligibility for those services. The social worker will facilitate referrals to appropriate resources.
- The social worker will collaborate with other involved parties as needed.
- If eligible for county operated or contracted case management services, the Social Worker will complete the necessary paperwork to transfer the client to case management.
- The social worker will document all activities and data as requested for tracking purposes.
- Client participation is voluntary, and the client has a right to refuse services.
- Hennepin County will be responsible for transportation/mileage expenses for the social worker. The social worker will be responsible following the Hennepin County transportation/mileage reimbursement policies.
- Hennepin County will be responsible for providing the social worker with equipment that is necessary for completing their work. This includes but is not limited to laptop computer, cell phone, and office supplies.

PARTNERSHIPS

The embedded social worker program is a collaborative effort between Hennepin County Social Services and local law enforcement. The cost of the social worker is a 60/40 split between Hennepin County (40%) and the law enforcement agency/agencies (60%)

In the lakes area communities, no single law enforcement agency generates enough mental health calls to justify the cost of the program. In fact, several smaller agencies are needed to create the appropriate volume. This proposal is a partnership of seven law enforcement agencies: South Lake Minnetonka PD, Orono PD, Deephaven PD, Medina PD, Corcoran PD, Minnetrista PD, and Wayzata PD.

PROGRAM COSTS

This is a two-year proposal for 2022 and 2023 with the possibility of beginning the program during the fourth quarter of 2021. The estimated annual total cost for a Hennepin County Social worker is \$100,000 with \$60,000 allocated to the participating law enforcement agencies.

For the two-year period, the participating law enforcement agencies have decided to split the cost evenly among the group. Total annual cost is estimate at \$8,600/year.

RECOMMENDATION

Motion for the South Lake Minnetonka Police Department to participate in the embedded social worker program.

South Lake Minnetonka Police Department Joint Powers Agreement

TO PROVIDE FULL-TIME POLICE PROTECTION FOR THE CITIES OF EXCELSIOR, GREENWOOD, SHOREWOOD, AND TONKA BAY

AS OF JUNE 15, 2006

Compiled 02.21.21 from the following documents:

Joint and Cooperative Agreement relating to the employment of police chief and police officers so as to provide full-time police protection for the cities of Excelsior, Greenwood, Shorewood, and Tonka Bay commencing January 1, 1998.

First Amendment, February 9, 2000 Second Amendment, December 27, 2000 Third Amendment, February 13, 2002 Memorandum of Understanding, February 13, 2002 Fourth Amendment, signed March 22 to May 1, 2006 Arbitration Findings of Fact and Order, June 1, 2006 Supplemental Order, June 15, 2006

The parties to this Agreement are municipalities of the State of Minnesota which have the responsibility for providing for law enforcement within their respective cities so as to enforce the ordinances of these cities and the laws of the State of Minnesota. This Agreement is made pursuant to Minnesota Statutes, Section 471.59.

Section 1: General Purpose

The general purposes of this Agreement are to provide for the employment of a full-time chief of police to act on behalf of the parties to this Agreement, and to provide said person with such assistance in the form of police officers, equipment and supplies as may be necessary so as to provide the parties with law enforcement services in the discharge of the duties imposed upon said municipalities to protect the health and welfare of their citizens and property located within their cities. It is the opinion of the parties to this Agreement that joint action in employing and creating a joint police force to serve the four communities will result in a higher standard of police service, closer control of the police force by the municipalities it serves, and in the long run more efficiency and financial savings to the communities.

Section 2: Definition of Terms

For the purpose of this Agreement, the terms in this section shall have the meanings given them.

- a. "Committee" means the organization created under this Agreement, the full name of which is the "Coordinating Committee for South Lake Minnetonka Public Safety."
- b. "Committeeman" means a member of the committee. There shall be one committeeman from each governmental unit which is a party to this Agreement, which committeeman shall be the mayor of said governmental unit. An alternate may be appointed to serve when the mayor is unable to attend the meetings of the committee.
- c. "Council" means the governing body of the governmental unit which is a party to this Agreement.
- d. "Governmental unit" means a city or municipality.
- e. "Original party" means a governmental unit which elects to become one of the original parties to this Agreement.
- f. "Later party" means a governmental unit which enters into this Agreement at some time after the Coordinating Committee is originally constituted.
- g. "Party" means governmental unit which enters into this Agreement.
- h. "SLMPD" means the "South Lake Minnetonka Police Department," which shall be the name of the police force created hereunder.

1. The allocation for funding the SLMPD, other than for Excelsior's separately contracted services for park patrol of its Commons area and for dockmaster services associated with its public docks, shall be set taking into consideration the Member Cities' tax capacity, demand,³ population,⁴ and other equitable allocations of costs. Use of those criteria result in allocations as follows.

Excelsior 27% Greenwood 8% Shorewood 50% Tonka Bay 15%

The percentage allocation for funding of the SLMPD in paragraph 1 refers exclusively to the SLMPD's operating costs budget contributions of Member Cities, commencing January 1, 2007. These figures do not include police facility debt service, which are addressed in prior agreements between the parties in the Third Amendment of the Joint and Powers Agreement, dated February 13, 2002, and related lease and financing documents.

THIS PARAGRAPH ADDED PER THE SUPPLEMENTAL ORDER, JUNE 15, 2006.

- ³ Demand refers to ICRs which generally indicate any occasion when there is a complaint or request for service (Exhibit 1 at paragraph 7).
- ⁴ As determined by Metropolitan Council Website "Population by Community" Research & Statistics or agreed upon equivalent (Exhibit 5 at page 34).
- 2. The funding percentages shall be reviewed and adjusted, if necessary, in five-year increments from the date of this Order, due to changes in the five-year average of tax capacity, ICRs, or population of the Member Cities. The first adjustment to each Member Cities' dollar allocation toward the payment of law enforcement costs shall be based on a comparison of 2011 data with the Member Cities' 2005 ICRs, Tax Capacity, and 2004 Population contained in the Stipulated Record (Exhibit 3 at page 28, Exhibit 5 and Exhibit 7 at page 42). Thereafter, the comparison of the tax capacity, ICRs, and population will be made for each subsequent five-year period with the data from the immediately preceding five-year period. Each factor shall be assigned a weight of 331/3% and the net difference, if any, shall be utilized to adjust the continuing payment allocations in paragraph 1 above.

That the funding formula adjustments, which are referenced in paragraph 2 shall, if necessary, be applied beginning January 1, 2012. There shall be an adjustment every five years based on the net differences, if any, between the data established at the commencement of each five-year period and the immediately subsequent five-year averages of the Member Cities' tax capacity, population and ICR statistics. In 2011, these three factors shall be compared to the 2005 tax capacity and ICRs of Member cities and the 2004 population statistics with equal weight to each factor. These adjustments do not result in a shift to a formula based purely on tax capacity, population, and ICR statistics but are only used to adjust incrementally the formula set out in paragraph 1, to the extent the three factors differ from the previously established data. THIS PARAGRAPH ADDED PER THE SUPPLEMENTAL ORDER, JUNE 15, 2006.

3. Each Member City shall fund the SLMPD the full amount of the allocation pursuant to the terms of the JPA.

- 4. The Approved Annual Operating Budget for each year shall be determined in advance by unanimous agreement of the parties. If the parties do not unanimously agree on the Approved Annual Operating Budget by September 1st of each year, the amount of the previous year's Approved Annual Operating Budget will be increased by the lesser of the following to arrive at the Approved Annual Operating Budget:
 - a) The increase in the July Minneapolis / St. Paul Consumer Price Index for All Urban Consumers (CPI-U) over the previous 12-month period; or
 - b) The percentage increase in the most restrictive statutory levy limit applicable to the budget year placed on any of the parties over the levy limit for that party for the prior year.
 - c) In the event that (a) or (b) decreases, the operating budget shall remain the same.

The above formula applies only to operating expenses not governed by wage or benefit increases required by any union contracts. All parties must pay wage or benefit increases as required by union contracts; other expenses can have ceilings applied per the above formula. For purposes of determining the 2007 Approved Annual Operating Budget, the "previous year's Approved Annual Operating Budget" referenced above shall be \$1,556,100. Adoption of an Approved Annual Operating Budget pursuant to this subdivision shall entitle each party to full and complete SLMPD services funded by the SLMPD annual operating budget and preclude delivery of multiple tiers or levels of services to parties. Parties may contract with the SLMPD for the delivery of supplemental services delivered by separately dedicated personnel outside of the approved budget as mutually agreed by all parties. Agreement to provide such supplemental services shall not be unreasonably withheld.

Notwithstanding the foregoing, all expenses related to the planning, financing, and construction of a new police station facility for the SLMPD shall be paid annually on an ad valorem basis. Facility expenses shall include, but not be limited to, architectural expenses, land acquisition expenses, site preparation expenses, construction expenses, and expenses related to procurement and installation of furniture, equipment, and fixtures for the new facility.

A withdrawing party shall have an ownership interest in the building commensurate with the percentage its debt retirement payments (both before and after withdrawal) are of the total debt retirement payments made by the SLMPD. The ownership interest shall not include a right of use or occupation but shall entitle the party to its pro rata share of any revenue generated through the lease, sale, or other conveyance of the building. A withdrawing party's payments on the debt shall end upon retirement of the debt or upon addition of a new party to this Agreement.
 - e. One-Time Exception. Any party may withdraw from this Agreement by providing written notice to the other parties of its intent to do so within 60 days after the date of the award resulting from the operating costs allocation arbitration referred to in the Proposal is issued. Such notice shall entitle a withdrawing party to leave the JP A effective December 31, 2007 without complying with the notice requirements of paragraph A.ii.a.

The two appraisers so selected will select a third appraiser. The values as determined by a majority of the appraisers shall be attributed to the non-cash assets in question.

As an exception to the provision of subdivision 1, in the event the corporate existence of a party is terminated, or a party is consolidated with another municipality not a party to this Agreement, then the obligations of such party hereunder shall cease as of the effective date of such termination or consolidation. If said effective date shall occur at a time other than the end of a budget year, the withdrawing party's financial obligation for the budget year in progress at the time of said effective date shall be pro-rated for such budget year as of said effective date. The withdrawal of a party under this subdivision shall not automatically terminate this Agreement or the obligations of the remaining parties. Following such a withdrawal, the percentage of the approved budget payable by each of the remaining parties for each ensuing budget year during the term of the Agreement shall be adjusted such that each party's percentage remains in the same proportion to that of the other remaining parties as originally established under Section 7 hereinabove; accordingly, the adjusted percentage for each remaining party shall be calculated by dividing a party's percentage, as hereinabove set forth in Section 7, by the sum of the percentages of all remaining parties.
